Affidavit

I, Mr. Vincent George #20070069726, depose and state under oath Pursuant to the Penalties As Prescribed Pursuant to Chapter 735 ILCS 51, 1-109 that the following facts and circumstances are true and correct and made upon personal knowledge and belief. And if I was called to give testimony on my behalf. I would state the following below.

- 1.) On August 06, 2007 I entered the gas station with a friend. I walked through the aisles looking for a variety of snacks. And once I found the things I was looking for I approached the cashier and gas station attendant to purchase my items and gas when I started to haze and slightly grasping for air. I was having problems with my asthma.
- 2.) So I got out of the line to go retrieve some bottles of water. And while walking down the aisles I heard someone yell "Raid" and I was obstructed to put my hands in the air and to get down on the ground.
- 3.) So I turned around to tell the officer that I didn't have anything and that I am in the stage of having an asthma attack and if I get down on the ground it will make matters worse. So I told the Officer that he can just put the handcuffs on me. And As I walked towards the officer to let him put the handcuff's on me, another Officer attacked me from behind and jumped on my back while macing me.
- 4.) The Officer on my back began to choke me, so I panicked and began to move around hysterically. So while he continued to mace in my face he also started to hit me in my face also, the Officer in front of me grabbed my arm and my wrist and unfolded his baton to beat me from the waist down while the Officer from the back was still beating me in my face and head with his fist. And this lasted for about (15) minutes, while I was trying to cover up from being attacked while being knocked to the ground from the attack.
- 5.) I then fell to the ground going into shock due to lack of air and the severe pain from my head down to my lower legs. The beating stopped when the uniform officers arrived. Then I was put into the paddy wagon.
- 6.) I had asked to go to the hospital when I arrived at the police station. I was bleeding from my head, ear and mouth and lower leg. My body was in pain; My back, ribs, knees, and lower legs were in pain and I was constantly grasping for air because of my asthma and mace which was used to blind me while the officers beat me. The officers only put water on my face and gave me two (2) cups of water while they were interrogating me in a circle of officers outside the police station at 111TH and Ellis. Then I was taken in the station and confined to a bench where one of the arresting officer was fabricating the police report and read me my charges. This is when I found out they put a gun on me in order to Justify their actions.
